DISCUSSED PROBLEMS OF MENTEES AND SUGGESTED RESOLUTIONS

Akshaykumar Prakash Patil is one of our college's brightest students. However, because of his rural background, he struggled with English communication. Hence, Mentor More J.G. provided some advice on how to improve his English communication skills. In this case, the mentee was encouraged to concentrate on his listening skills, which would help him improve his sentence formulation indirectly. He may improve his vocabulary by doing the same thing. He could also benefit by thinking in English and having direct conversations with friends. Reading English newspapers, watching English news, and listening to English commentary were also recommended to him.

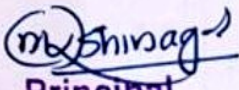

Sonkamble Ajay Limbaji is one of our college's brightest and most obedient students. He also struggled with his English communication skills. He was also advised to follow the advice given to the previous student, Patil Akshaykumar Prakash.

Jogdand Vijay Baliram had the problem that, despite his enthusiasm for short stories, he had no knowledge of good short-story writers. As a result, he was recommended to read the short-stories of some of the greatest English short-story writers, including Anton Chekhov, Edgar Allan Poe, Guy de Maupassant, Arthur Conan Doyle, Leo Tolstoy, etc. More J.G., his mentor, also lent him a copy of his own book called, **100 World's Greatest Short Stories: Collectable Edition.**

Pathan Afraj Yejaj, a BAFY student, was having trouble grasping the notion of Certificate and Value-Added Courses, which were set to commence at the college on August 1, 2019. As a result, the Mentor advised him on the aforementioned notion and provided him with detailed information about the Certificate Course in English called, **REMEDIAL ENGLISH GRAMMAR.**

This way, all the issues raised by the mentees were resolved.

MENTOR-MENTEE MEETING REPORT

DATE: 25/01/2020

I, More J.G. (Head, Dept. of English) have been allocated as a mentor for 12 students from BAFY, BASY and BATY.

As a result, a second meeting with the assigned mentees was scheduled on January 25, 2020, and a notice was displayed on the college notice board. 10 out of 12 mentees were present for this meeting. In this meeting the mentees were asked to discuss and inform their educational and other concerns. Out of the 10 present mentees, five shared their issues, and the meeting concluded with Shaikh Jogdand Vijay Baliram's (BATY) vote of thanks.

DISCUSSED PROBLEMS OF MENTEES AND SUGGESTED RESOLUTIONS

Shaikh Adnan Ahemad Zakir is one of our college's brightest students. While discussing the problems with the students; he was also asked to share his problems if he has some. He initially seemed confused, however he shared that he was facing difficulty to find textbook in the market for his English Skill Enhancement Course. Therefore, he was informed that a copy of textbook has been donated to the library by More J.G. (Head, Dept. of English). Hence he was suggested to visit the college library.

Gaikwad Vatan Devidas is one of our college's obedient students. However, because of lack of exercise and physical workout, he was getting obese and therefore he was looking for some simple Yoga poses to start with. Hence, he was advised to visit the Director of Physical Education and Sports.

Jogdand Vijay Baliram is a third-year student. He confessed that he is a bit worried and confused about his career. It is quite common in case of third-year students to be worried about their career because most of them do not have good information about their future career options. However, he was advised not to worry about it because there are so many options for him including MA, MBA, Digital Marketing, Insurance Industry, LLB, Journalism etc.

Pathan Afraj Yejaj, a BAFY student and he seemed very curious about the world of information available over the internet however due to lack of technical knowledge he was unable to search internet to find required information. Therefor Mentor gave him detailed information about surfing internet. Along with that he was given live demonstration on the laptop and mobile phone so that he could understand it properly. He was also taught to find extra information on the topics included in his curriculum.

Sonkamble Ajay Limbaji, is also one of the brightest students from our college. However due to his rural background he had an inferiority complex about his English pronunciation. Hence, he was looking for some of the practical tips for his pronunciation. Therefore, he was given following practical tips:

- Focus on the listening skill: He could various podcasts, watch youtube videos, movies etc.
- Record yourself: After focusing on listening, he should record himself and find whether he has improved his pronunciation
- Study phonemic chart: Study the phonemic chart properly and practice pronouncing properly
- Use dictionary: Read the words and their transcription and try pronouncing those words accordingly. Etc.

This way, all the issues raised by the mentees were resolved.
